I'll review and send back any feedback tonight. And yes, we discussed Richard Smith and I do think that meeting is crucial. However I think it's better for Ben to request it.

Let me think on Nik. I really, really need to be careful about fundraising with my board.

Blair,

Attached is a revised draft of a letter to Dave Bronczek with corrected MPD figure. Let me know what you think.

Also, as I recall, you were thinking about setting meetings up with Richard Smith and Nick Varty. I think that would be great.

Correct. And no, you'll leave after your part, which I expect to conclude around 415.

Blair,

The MT meeting is at 3:30 next Monday at the Suntrust Shady Grove office, correct ?

Do I stay for the whole meeting or make my presentation, then leave ? What's the protocol ?
